Dear Rajendra ji,
I have received the murti and am very happy to see it. The expression on Ganesh murti's face is subtle and sweet, exactly the way I wanted it to be.
If I come to Jaipur I will definitely visit Raj Creations store to meet the man who creates such a beautiful and elegant statue of Gan murti.
Thanks for all the co-operation and prompt service.
I really appreciate it.

Hi,

Please see my feedback.

I ordered an idol for the first time all the way from India and I live in USA. I like the way it was given regular updates in the form of pictures and videos of idol sent as it was developed and was also shipped safely and was delivered on time. Coming to carving, it was a awesome art piece and makes us feel like a new person joined our family.
